121 165th Street
Spanaway, WA 98387
(253) 536-1146

We are asking school owners to encourage all Black Belts who are not competing to give back to their art by becoming either a certified official or a Technical Assistant (TA). The TA's are the officials who work the electronic scoring computers at each ring. Knowing the rules of competition well, will also allow the Black Belts to better prepare their students for competition. At a upcoming clinic on April 28, we are asking you to become certified or to renew your certification at this time. Those certified will be able to assist at local and national events. It is important to have a good base of well trained, suitably qualified officials in the area so that we can continually improve the quality of officiating at Martial Arts events.

In appreciation of your assistance, officials who work this event will be provided a hot lunch and "Officials" dinner and a stipend.
